PREAMBLE

Whereas Mother Earth, her plants, her animals, and the Anishnabe were created in that order, with the Earth, plants and animals being created first to sustain the Anishnabe;

And Whereas the Anishnabe have a continuous responsibility to maintain that balance of life seven generations into the future;

And Whereas Nation to Nation, the Anishnabe entered into treaties to share that bounty provided by Mother Earth at Niagara in 1764 and at Sault Sainte Marie in 1850; and our Treaty partners guaranteed that sharing relationship initially in 1867 and further in 1982.

And Whereas Wasauksing First Nation has a profound relationship with the Land that is rooted in respect for the Spiritual value of the Earth and the gifts of the Creator and has a deep desire to preserve their relationship with the Land;

And Whereas fourteen First Nations and Canada concluded a government-to-government *Framework Agreement on First Nation Land Management* on February 12, 1996;

And Whereas the *Framework Agreement on First Nation Land Management* provides the option to First Nations of withdrawing their reserve Land from the land management provisions of the *Indian Act* in order to exercise control over their Land and Resources for the use and benefit of their Citizens;

And Whereas Canada ratified its commitment to the *Framework Agreement on First Nation Land Management* with the enactment of the *First Nations Land Management Act*, S.C. 1999, c.24;

And Whereas Wasauksing First Nation became a signatory to the *Framework Agreement on First Nation Land Management* on December 12, 2013, as Wasauksing First Nation wishes to govern its Land and Resources under the *Wasauksing First Nation Land Code*, rather than having its Land and Resources managed on its behalf under the *Indian Act*;

And Whereas the *Framework Agreement on First Nation Land Management* acknowledges that Canada's special relationship with Wasauksing First Nation will continue;
